1% Manual Tally - November 6, 2012

Pursuant to Elections Code 15360, Contra Costa Elections Division conducted a 1% manual tally of precinct results for the November 6, 2012 General Election. Notice of the drawing of precincts was given by press release and posted in the office lobby and on our website one week prior to the date of the random selection.

The random selection of precincts was conducted in the Elections Division lobby on Thursday, November 8, 2012 at 10:00 am. Ten-sided dice were used to select the precincts to be fully tallied (9). Disks containing precinct numbers were drawn from a container to select additional precincts for local contests not represented in the 1% selection (22).

Votes cast, which were reported in the semi-final official canvass on election night, were tallied for each precinct selected; this included both precinct ballots and vote by mail ballots. A preliminary canvass report (statement of vote) by precinct was available to the public the day after the election for review or purchase.
